

Board of Reviewers

Manuscripts submitted to the Annals are initially seen either by the Chief Editor or Screening Editors (Free Papers) and Guest Editors (Theme Papers). They nominate two or more expert reviewers to assess the papers and later review the comments before making an editorial decision. Our sincere thanks to the following specialists who completed and returned their reviews between 5 December 2006 and 2 December 2007 – your expertise and time generously given have been a major factor in maintaining our high standards. We apologise if we inadvertently omitted any name, but please inform the Editorial Board.

PLATINUM AND GOLD AWARDS

The Annals Platinum and Gold Awards give special recognition to reviewers for both quality and number of reviews, adherence to the Annals' guidelines (in particular, being fair and supportive to authors); and helpful advice to the the Editorial Board.
