

BOARD OF REVIEWERS

Manuscripts submitted to the Annals are initially seen by the Editor and Guest Editors who then send them to two or more expert reviewers for assessment, after which they go through the Annals Editorial Committee. We thank the following people who kindly reviewed papers for the Annals between 15 November 2003 and 9 November 2004. Their expertise and time generously given have been a major factor in maintaining high standards. We apologise if we inadvertently omitted any name, but please inform the Editorial Board.
