

BOARD OF REVIEWERS

Manuscripts submitted to the Annals are initially seen by the Editor and Guest Editors who then send them to two or more expert reviewers for assessment, after which they go through the Annals Hanging Committee. We thank the following people who kindly reviewed papers for the Annals between 1 January 1998 and 20 November 1998. Their expertise and time generously given have been a major factor in maintaining high standards. We apologise if we inadvertently omitted any name, but please inform the Editorial Board.
