

Correction to Original Article “Selection of pyroptosis-related genes and potential pharmacological targets in sepsis-induced myopathy” [Ann Acad Med Singap 2026;55:86]

The authors would like to make corrections in the publication of the [original article](#).

The following are the correct figures:

Fig. 2. Pyroptosis-related genes and Venn analysis. (A) Intersection of DEGs related to pyroptosis. (B) Heatmap of pyroptosis-related genes.

Fig. 4. (A, C) Construction of the protein–protein interaction network using the STRING database. (B, D) Identification of hub genes using the CytoHubba plugin in Cytoscape.

Fig. 5. Expression matrix of hub genes obtained from the GEO database.

The authors would like to apologise for any inconvenience caused.
